UNIFORM SIZES

MEASURING GUIDE

For best results, measure the body wearing only undergarments. Hold the tape measure close but not tight.

Sleeve: Measure from the center of the back of the neck, over the point of the shoulder, around the elbow, and down the wrist.

Bust: Measure around the fullest part, across chest points.

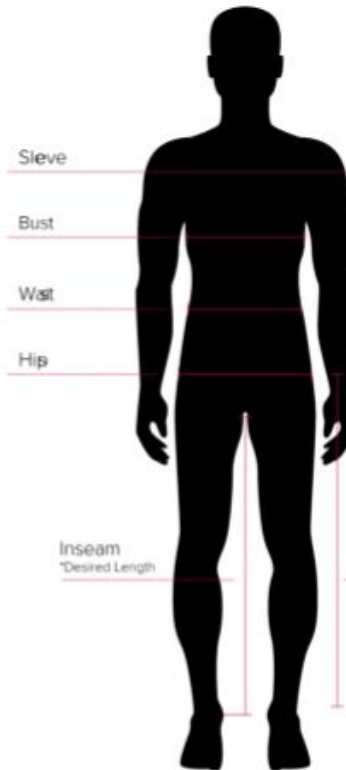

Waist: Measure around the narrowest part (typically the small of your back).

Hips: Measure around the fullest part of your hips.

Inseam: Measure from crotch to the bottom of the leg opening for desired length.

Outseam: Measure from waist to desired length.

*This is intended to be a guide only, and while we do our best to ensure all our sizing is consistent, you may find that some styles vary in size.

Determine your child's jersey size using the size chart provided.
